GUIDE TO KENTUCKY  
OFF ROAD PARKS

# Wildcat Adventures

Wildcat Adventures is a family friendly park with 2,000 acres of land. Nestled in Southeast Kentucky, they feature over 100 miles of trails fit for riders ranging from novice to expert levels. Spend an afternoon or a whole weekend at Wildcat with their different day passes ranging in price. Your adventure can be complete with available campgrounds and RV camp-sites with full hook ups, fire pits, and picnic tables.

Rush Off-Road is a great place to break in your new Razor Side by Side. Nothing can beat this track with 7,000 acres of land and over 100 miles of trails! Terrain includes 3 Pole and 4 Mile Trail Systems. Rush Off-Road is a great place for all off-road enthusiasts with trails ranging from Easy, Hard and even Rock Crawl. Coming in from out of town? No problem! With the wide array of lodging options, you can choose to stay how you like.

This off-road area is every rider's dream. Black Mountain Off-Road Adventure Area is the fastest growing destination for adventure seekers in southeast Kentucky. Terrain ranges across 7,000 acres with more than 150 miles of easy, moderate and extreme level trail options. Black Mountain is a great place for the whole family with their 11 line zipline canopy tour. Lodging accommodations include rental cabins, hotels, RV hookups and other amenities.
